MaxwellBeau

2020

Product List

We manufacture an extensive range of desks, boardroom tables, boardroom furniture, credenzas, storage, workstations and bespoke furniture.
All our office furniture is produced with quality and value in mind.
Australian Made by our team in QLD

Our work tops can be made to virtually any size and shape in a huge range of plain and woodgrain colours, we can also implement cable entry holes and scallops.

Our Metal Frame tables are ideal for the office environment and are strong and durable, designed to meet a broad range of applications. We manufacture general purpose tables, coffee tables, desks, trolleys, training tables and high bars etc. which are available in a wide range of standard or custom sizes and shapes.

Work and learning spaces are not a one size fits all approach — every space has unique needs and requirements.
Our furniture offers a range for a number of areas and applications in and around the school or education centre.

MaxwellBeau Pty Ltd

LAMINEX – CARE & MAINTENANCE

For general care and maintenance, simply wipe away most spills or marks with a damp cloth, or use an all-purpose cleaner such as Windex spray cleaner or Ajax Spray n Wipe. Rubbing gently with a clean, dry cloth brings back the brightness of laminates. With a few sensible precautions, your Laminex® laminate surface will enjoy a long lifespan.

GENERAL CARE – INFORMATION • Avoid scourers and abrasives as they will damage the surface. • Don't place hot objects, electrical appliances or pots straight from the oven or cooker onto your Laminex laminate surface. • Don't cut on the Laminex laminate surface. • Keep waxes and polishes well away as they dull the natural shine. • Do not use strongly acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.

GENERAL CARE – STREAKS Streaky marks sometimes show on dark colours after cleaning. An all-purpose cleaner such as Windex spray cleaner or Ajax Spray n Wipe usually removes them.

GENERAL CARE – GREASE Using a mild dishwashing detergent in water will remove greasy marks. Dab, wait and wipe away. Finish with an all-purpose cleaner such as Windex spray cleaner or Ajax Spray n Wipe.

GENERAL CARE – SPILLS Laminex laminate surfaces resist staining from most household chemicals. With some accidental spills however, prompt action is essential. Wipe off beetroot, grape and berry juices, first aid preparations, concentrated bleach, oven cleaners, dishwasher detergents, artificial dyes, hair colouring and solvent based pen ink immediately. Specialty glues such as Super Glue must also be removed straight away with acetone (nail polish remover).

GENERAL CARE – STAINS If the stain won't budge with Extra Strength Windex, try methylated spirits or dab the stain with a diluted bleach mixture (1 part bleach to 8 parts water); leave for 3 minutes then wash off with water and dry. Finish off with Extra Strength Windex. Only as a last resort if a stain persists try 2 or 3 rubs with a crème cleanser or white toothpaste, wash and dry. Please note that bleach or these abrasive cleaners may irreversibly damage the laminate surface.

GENERAL CARE – SCRATCHES Laminex laminate surfaces will withstand normal wear and tear, but can be damaged by scratching or cutting with utensils, knives and unglazed pottery. Darker colours will show scratches more readily than lighter colours. In general, dark colours and high gloss surfaces require more care and maintenance than lighter colours or lower gloss colours. To minimise scratching, always place and lift objects from the surface – never drag or slide them across the surface.
EDGING – CARE & MAINTENANCE

The use of special synthetic cleaners is recommended for Döllken ABS edgebands. Substances with a high solvent content, and alcoholic substances, should not be used.

WARRANTY

- All products manufactured by MaxwellBeau Pty Ltd are warranted to be free of defects in materials and workmanship for a period of five (5) years from the date of manufacture.
- This Warranty covers replacement or repair of any product defect that is not the result of normal wear and tear.
- Warranty only applies to original purchaser. Rental or loan furniture are not covered under warranty.
- All items must be used for the purpose for which they were designed and built.
- Damage caused by incorrect cleaning methods is not covered by warranty.
- Any modification or alteration to the furniture will void warranty.
- MaxwellBeau Pty Ltd liability is limited to the repair and/or replacement part or parts found to be defective. The cost of freight to and from the factory is at the customers expense.

	To add Bow Front, D End to top add

We can manufacture table tops to any dimension.

Other Tops available include:

- White Writable Tops
- Magnetic Tops
- Compact Laminate

Edges available include:

- ABS Edge: Very practical edge with attractive 2mm ABS edge to match the top or contrast.
- MDF Polished Edge: Very durable edge. Edge gets sanded with 2 coats of sanding sealer and 2 coats of lacquer.

Contact us to discuss your requirements.
